ComNet Europe Ltd To Feature At Australasia's Leading Security Show, Security 2011 Exhibition

**ComNet to Introduce New IP Transmission Products Down Under
~ Booth i28 ~**

Sydney, August 15, 2011 - ComNet Europe of Leeds in the United Kingdom, a leading manufacturer of Fiber Optic, Copper and Ethernet/IP transmission and networking equipment, will be exhibiting at Security 2011 Exhibition, Australasia's leading industry show in Sydney from 24th to 26th August.

At the show, ComNet will showcase their latest innovative product range including:

- Ethernet over Coax/UTP
- Ethernet over Coax with PoE
- Ultra Mini Media converters
- Managed & Un-managed PoE Ethernet Switches
- Unmanaged With High Power PoE+ Ethernet Switches

Steve Clarke, ComNet Europe Managing Director, said: *"We are extremely excited to be participating, our first ever appearance at Security Exhibition in Australia. The Asia Pacific market is full of opportunities and the show is a gateway to building new partnerships and showcasing our innovative IP product range."*
